

Species At Risk Act (SARA) Consultation, Cooperation and Accommodation Virtual Workshop

Tools and Resources Training Session

Hosted by:

Environment and Climate Change Canada (ECCC)

The Centre for Indigenous Environmental Resources (CIER)

Date: March 3rd, 2021

Time: 9:30 – 12:00 PST

Workshop Purpose: The purpose of this workshop is to share different tools and resources to support Land Managers working on species-at-risk (SAR) related work in their Nation or Organization. The following is a list of some of the tools and resources that will be shared at the workshop:

- National Aboriginal Land Managers Association’s SAR Management Toolkit
- Centre for Indigenous Environmental Resources’ SAR Teaching Kit, SAR Action Booklets, & examples of Indigenous community SAR guidebooks
- Government of British Columbia’s Conservation Data Centre
- Environment and Climate Change Canada’s critical habitat mapping and data sharing agreements, field guides, online tools & funding
