Seeking Indigenous Knowledge about Grizzly Bear In the Northwest Territories

Dear _____, from _____
(Insert Community-nominated participant name) (Insert community)

As a community-nominated knowledge holder on Grizzly Bear, you are invited to participate in a workshop that will take about 5 hours of your time. The discussion will take place with other participants from NWT, and will be video recorded, photographed, and notes taken. A graphic recorder will also be present. We will meet online via Zoom **on February 17th, 2022** from 9:00am to approximately 3:15pm (including an hour lunch break). You will be offered the amount of \$ 400 for your participation in the workshop.

During data analysis, original video, photo, and transcript will be securely stored on both CIER's and ECCC's staff computers and will be deleted at the end of the project. If desired, CIER and ECCC may sign a Data Sharing Agreement that ensures information shared will not directly go beyond this project. Following analysis, with your permission, the recording and transcript will be stored in your local organization office (Renewable Resource Council, First Nation Government or other relevant organization) and made accessible for heritage, education or research purposes upon request.

Please fill and sign the form on the next page at least 1 day prior of the workshop date.

If you have any questions or concerns about this project, or the consent you have provided, please contact Carine Cote-Germain (carine.cote-germain@ec.gc.ca), Bruce Laurich (bruce.laurich@ec.gc.ca), or Kate Hewitt, CIER Project Manager, at khewitt@yourcier.org.

Thank you for your participation!
