

Helping to Set Priorities, Assessing Feasibility

ACTION	CRITERIA										
	Clear connection to the objective/ goals	Money	Funding Options	People Human Resources	Training Needs	Training Opport.	Links to other goals/ objectives	Time	Existing projects/ Programs	Positive impacts on sustainability	Other?
Action 1:	Is this action connected to the objectives/ goals?	How much will it cost?	Do we know funding options? What are they?	Do we have the people to do this? What is required?	Is there training associated ?	Do we know relevant training opportunities ?	Is this action also linked to other objectives to strengthen its value?	What are the timelines?	Are there existing projects or programs that we will build on as part of this action?	Where will this action impact sustainability? Environment? Economy? Society? Culture?	Are there other key criteria?
