The geospatial information regarding Indigenous Peoples, Indigenous Lands, Treaties, agreements, and claims displayed on these maps was selected using the [Aboriginal and Treaty Rights Information System \(ATRIS\)](#), a Web-based information system intended to map out the location of Indigenous communities hosted by CIRNAC or on the [Open Data catalog](#) of the Government of Canada. We cannot guarantee that the information is up to date as the datasets have been published by departments outside of the FCSAP Secretariat. Please note that some information such as potential Aboriginal or treaty rights may not have been included because the necessary Indigenous and First Nations cartographic resources were not publicly available on the Government of Canada open databases at the time the maps were produced. If you have any questions about the map production, you can contact the Secretariat's email address (fcsap.pascf@ec.gc.ca).
