Grizzly Bear Virtual Indigenous Knowledge Summary Report Validation Workshop - Northwest Territories

Hosted By:

Environment and Climate Change Canada (ECCC)

The Centre for Indigenous Environmental Resources (CIER)

Date: Wednesday, January 11th, 2023

Time: 1 – 4:30 pm (MST)

Workshop Purpose: Environment and Climate Change Canada and the Centre for Indigenous Environmental Resources held an initial Indigenous Knowledge Gathering Workshop for Grizzly Bear on February 17, 2022. The information gathered at this workshop was summarized into a report, which is now ready for validations. The purpose of this meeting is to review this report and ensure all knowledge shared during the workshop has been represented accurately, attributed correctly, is appropriately and respectfully included, and that the content and format of the report reflect the shared vision of all participants.
