

UPCOMING TERRESTRIAL SPECIES AT RISK CONSULTATIONS AND FUNDING AVAILABLE

Environment and Climate change Canada
Canadian Wildlife Service

Centre for Indigenous
Environmental Resources (CIER)

SESSION OBJECTIVES

- Short summary of the Species at Risk Act Consultation, Cooperation and Accommodation Project (SARA-CCA) and related funding
- Overview of Species at Risk for consultation by 2026
- Which Species at Risk are of greatest interest or concern to your community?
- Questions or comments

SARA-CCA PROJECT

- In partnership with the Centre for Indigenous Environmental Resources (CIER)
- Main objective: To support Indigenous consultations for terrestrial Species at Risk throughout the Species at Risk Act process

SARA-CCA PROJECT

- Examples of funded activities or projects
 - Community meetings to share issues, concerns and knowledge on Species at Risk
 - Data collection
- For more information, access presentations or apply for funding: <https://yourcier.org/sara/quebec/>

SPECIES AT RISK FOR CONSULTATION BY 2026*

Species that are or could be subject to listing consultations under the Species at Risk Act (SARA)

Species	Current Status (SARA)	Status proposed by COSEWIC
Eastern Red Bat	No Status	Endangered
Eastern Whip-poor-will	Threatened	Special Concern
Gulf of St. Lawrence Aster	Threatened	Endangered
Hoary Bat	No Status	Endangered
Riverine Clubtail	No Status	Special Concern
Silver-haired Bat	No Status	Endangered

* This list could be modified during the coming months
 Available on the project website: <https://yourcier.org/sara/quebec/>

Species for which recovery documents would be developed if listed under SARA

Species	SARA Status	Status Proposed by COSEWIC
Black Ash	No Status	Threatened
Canada Warbler	Threatened	Special Concern
Caribou, Eastern Migratory population	No Status	Endangered
Caribou, Torngat Mountains population	No Status	Endangered
Dense Draba	No Status	Special Concern
Eastern Wolf	Special Concern	Threatened
Hudsonian Godwit	No Status	Threatened
Leach's Storm-Petrel	No Status	Threatened
Monarch	Special Concern	Endangered
Puvirnitug Mountain Draba	No Status	Special Concern
Red Knot rufa subspecies, Northeastern South America wintering population	No Status (previously listed as Threatened under Red Knot <i>roselaari</i>)	Special Concern
Red Knot rufa subspecies, Southeastern USA / Gulf of Mexico / Caribbean wintering population	No Status (previously listed as Threatened under Red Knot <i>roselaari</i>)	Endangered
White-rimmed Shingle Lichen	No Status	Threatened

Species for which recovery documents are already planned or in development

Species	SARA Status	Document Type
Anticosti Aster	Special Concern	Management Plan
Barn Swallow	Threatened	Recovery Strategy
Common Nighthawk	Special Concern	Management Plan
Eastern Painted Turtle	Special Concern	Management Plan (for both Eastern and Midland Turtles)
Midland Painted Turtle	Special Concern	
Grasshopper Sparrow, pratensis subspecies	Special Concern	Management Plan
Griscom's Arnica	Threatened	Recovery Strategy
Magdalen Islands Grasshopper	Special Concern	Management Plan
Mottled Duskywing, Great Lakes Plains population	Endangered	Recovery Strategy
Nine-spotted Lady Beetle	Endangered	Recovery Strategy
Olive-sided Flycatcher	Special Concern	Management Plan
Quebec Rockcress	Endangered	Recovery Strategy
Transverse Lady Beetle	Special Concern	Management Plan
Spring Salamander, Adirondack / Appalachian population	Threatened	Recovery Strategy
Wolverine	Special Concern	Management Plan
Wood Thrush	Threatened	Recovery Strategy

WE WOULD LIKE TO HEAR FROM YOU

Which Species at Risk are of greatest interest or concern to your community?

Quelles sont les espèces en péril qui suscitent le plus d'intérêt ou de préoccupation pour votre communauté?

QUESTIONS OR COMMENTS?

THANK YOU!

Do not hesitate to contact me!
