

List of terrestrial Species at Risk for which consultations or stakeholder engagement are anticipated for Quebec region in 2023-2026*

Species that are or could be subject to listing consultations under the Species at Risk Act (SARA)			
Species	Scientific Name	Current Status (SARA)	Status proposed by COSEWIC
Eastern Red Bar	<i>Stylurus amnicola</i>	No Status	Endangered
Eastern Whip-poor-will	<i>Antrostomus vociferus</i>	Threatened	Special Concern
Gulf of St. Lawrence Aster	<i>Symphyotrichum laurentianum</i>	Threatened	Endangered
Hoary Bat	<i>Lasiurus cinereus</i>	No Status	Endangered
Riverine Clubtail	<i>Stylurus amnicola</i>	No Status	Special Concern
Silver-haired Batt	<i>Lasionycteris noctivagans</i>	No Status	Endangered

*This list could be modified during the coming months

**Species for which recovery documents would be developed if listed under
SARA**

Species	Scientific Name	SARA Status	Status Proposed by COSEWIC
Black Ash	<i>Fraxinus nigra</i>	No Status	Threatened
Canada Warbler	<i>Cardellina canadensis</i>	Threatened	Special Concern
Caribou, Eastern Migratory population	<i>Rangifer tarandus</i>	No Status	Endangered
Caribou, Torngat Mountains population	<i>Rangifer tarandus</i>	No Status	Endangered
Dense Draba	<i>Draba pycnosperma</i>	No Status	Special Concern
Eastern Wolf	<i>Canis sp. cf. lycaon</i>	Special Concern	Threatened
Hudsonian Godwit	<i>Limosa haemastica</i>	No Status	Threatened
Leach's Storm-Petrel	<i>Oceanodroma leucorhoa</i>	No Status	Threatened
Monarch	<i>Danaus plexippus</i>	Special Concern	Endangered
Puvirnitug Mountain Draba	<i>Draba puvirnitugii</i>	No Status	Special Concern
Red Knot rufa subspecies, Northeastern South America wintering population	<i>Calidris canutus rufa</i>	No Status (previously listed as Threatened under Red Knot roselaari)	Special Concern
Red Knot rufa subspecies, Southeastern USA / Gulf of Mexico / Caribbean wintering population	<i>Calidris canutus rufa</i>	No Status (previously listed as Threatened under Red Knot roselaari)	Endangered
White-rimmed Shingle Lichen	<i>Fuscopannaria leucosticta</i>	No Status	Threatened

Species for which recovery documents are already planned or in development

Species	Scientific Name	SARA Status	Document Type
Anticosti Aster	<i>Symphyotrichum anticos tense</i>	Special Concern	Management Plan
Barn Swallow	<i>Hirundo rustica</i>	Threatened	Recovery Strategy
Common Nighthawk	<i>Chordeiles minor</i>	Special Concern	Management Plan
Eastern Painted Turtle	<i>Chrysemys picta picta</i>	Special Concern	Management Plan (for both Eastern and Midland Turtles)
Midland Painted Turtle	<i>Chrysemys picta marginata</i>	Special Concern	
Grasshopper Sparrow, pratensis subspecies	<i>Ammodramus savannar um pratensis</i>	Special Concern	Management Plan
Griscom's Arnica	<i>Arnica griscomii ssp. griscomii</i>	Threatened	Recovery Strategy
Magdalen Islands Grasshopper	<i>Melanoplus madeleineae</i>	Special Concern	Management Plan
Mottled Duskywing, Great Lakes Plains population	<i>Erynnis martialis</i>	Endangered	Recovery Strategy
Nine-spotted Lady Beetle	<i>Coccinella novemnotata</i>	Endangered	Recovery Strategy
Olive-sided Flycatcher	<i>Contopus cooperi</i>	Special Concern	Management Plan
Quebec Rockcress	<i>Boechera quebecensis</i>	Endangered	Recovery Strategy
Transverse Lady Beetle	<i>Coccinella transversoguttata</i>	Special Concern	Management Plan
Spring Salamander, Adirondack / Appalachian population	<i>Gyrinophilus porphyriticus</i>	Threatened	Recovery Strategy
Wolverine	<i>Gulo gulo</i>	Special Concern	Management Plan
Wood Thrush	<i>Hylocichla mustelina</i>	Threatened	Recovery Strategy

Species for which regulatory processes in Quebec could be carried out

Species	Scientific Name	SARA Status	Document Type
Bicknell's Thrush	<i>Catharus bicknelli</i>	Threatened	Recovery Strategy
Caribou, Atlantic-Gaspésie population	<i>Rangifer tarandus</i>	Endangered	Recovery Strategy
Caribou, Boreal population	<i>Rangifer tarandus</i>	Threatened	Recovery Strategy
Gulf of St. Lawrence Aster	<i>Symphyotrichum laurentianum</i>	Threatened	Recovery Strategy
Horned Grebe, Magdalen Islands population	<i>Podiceps auritus</i>	Endangered	Recovery Strategy
