

## SARA-CCA Funding Opportunities

### Should you apply for an Expression of Interest (EOI) or Capacity Request?

	<b>Capacity Request:</b>	<b>Expression of Interest (EOI):</b>
<b>Funding Amount</b>	Up to \$5000 (higher requests considered on case-by-case basis)	Up to \$15,000 (higher requests considered on case-by-case basis)
<b>Funding Purpose</b>	For Nations to meet with community members, collect information and potentially share appropriate information with ECCC so they can contribute meaningfully to SARA listing decisions, work together to develop recovery documents, and review and provide input to draft recovery documents.	For Nations who wish to undertake targeted short-term species at risk projects that will directly support Indigenous peoples' and organizations' meaningful participation in listing, recovery planning and/or recovery actions for terrestrial species at risk.
<b>How to Apply</b>	Applications are open year-round. Please reach out to your regional ECCC contact person or CIER Project Manager.	Applications for EOIs open twice per year (in spring and fall). Watch for a call for proposals in your email and/or on CIER's website.
<b>Reporting Requirements</b>	Confirmation that the money was spent and reported on challenges, results and success stories. This funding is to support the community with collecting Indigenous Knowledge to increase their capacity to participate in species specific workshops, but sharing Indigenous Knowledge with ECCC is optional.	Confirmation that the money was spent, and additional information is provided on project activities, species at risk focused on in the project, threats to species identified, and results and progress. Sharing Indigenous Knowledge with ECCC is optional.
<b>In-Kind Contribution Requirement</b>	20% In-kind contribution required only for requests over \$5,000	20% In-kind contribution required only for requests over \$5,000
