

Pacific Region List of Species for the *Species at Risk Act* Consultation Cooperation and Accommodation Project (Dec 2024)

Current Listing Consultation (Official consultation launch in January 2025)

Species	Scientific Name	Taxon	Current Status	SARA Status	COSEWIC Assessed Status	Last COSEWIC Assessment and Status Change <small>*assessments are done approximately every 10 years</small>	Range
Hibberson's Trillium	<i>Trillium hibbersonii</i>	Vascular Plants	Upcoming or Current Listing Consultation	Not on Schedule 1 (under consideration for addition)	Threatened	(December 2023)	BC
Horned Grebe	<i>Podiceps auritus</i>	Birds	Upcoming or Current Listing Consultation	Not on Schedule 1 (under consideration for addition - designatable units combined as Special Concern on Schedule 1)	Special Concern	(December 2023)	BC, AB, MB, NB, NT, NS, NU, ON, QC, SK, YT
Long-billed Curlew	<i>Numeris americanus</i>	Birds	Upcoming or Current Listing Consultation	Special Concern (under consideration for status change - from Special Concern to Threatened)	Threatened	(May 2024)	BC, AB, SK
Macoun's Meadowfoam	<i>Limnanthes macounii</i>	Vascular Plants	Upcoming or Current Listing Consultation	Threatened (under consideration for status change - from Threatened to Special Concern)	Special Concern	(December 2023)	BC
Pacific Sandpiper	<i>Lasiopogon pacificus</i>	Anthropods	Upcoming or Current Listing Consultation	Not on Schedule 1 (under consideration for addition - Special Concern)	Special Concern	(May 2024)	BC
Pine Broomrape	<i>Aphyllon pinorum</i>	Vascular Plants	Upcoming or Current Listing Consultation	Not on Schedule 1 (under consideration for addition - Endangered)	Endangered	(May 2024)	BC
Rigid Apple Moss	<i>Bartramia aprica</i>	Mosses	Upcoming or Current Listing Consultation	Endangered (under consideration for status change - from Endangered to Threatened)	Threatened	(Decemebr 2023)	BC
Rough-leaved Aster	<i>Eurybia radulina</i>	Vascular Plants	Upcoming or Current Listing Consultation	Not on Schedule 1 (under consideration for addition - Threatened)	Threatened	(May 2024)	BC

Species Currently in Recovery Planning

Species	Scientific Name	Taxon	Current Status	SARA Status	COSEWIC Assessed Status	Last COSEWIC Assessment and Status Change <small>*assessments are done approximately every 10 years</small>	Range
Black Swift	<i>Cypseloides niger</i>	Birds	Upcoming or Current Recovery / Management Planning	Endangered	Endangered	(May 2015)	BC, AB
California Sword Fern	<i>Polystichum californicum</i>	Vascular Plants	Upcoming or Current Recovery / Management Planning	Not on Schedule 1 (under consideration for addition)	Endangered	(May 2023)	BC
Gypsy Cuckoo Bumble Bee	<i>Bombus bohemicus</i>	Arthropods	Upcoming or Current Recovery / Management Planning	Endangered	Endangered	(May 2014)	BC, AB, MB, NB, NL, NS, NT, ON, PEI, QC, SK, YT
Half-moon Haistreak (Okanagan-Similkameen Population)	<i>Satyrium semiluna</i>	Arthropods	Upcoming or Current Recovery / Management Planning	Not on Schedule 1 (under consideration for addition - originally considered a single unit and designated Endangered on Schedule 1. Split into two DU: Okanagan-Similkameen population, and Waterton Lakes population)	Threatened	(December 2022 - reassigned)	BC
Hoary Bat	<i>Lasiurus cinereus</i>	Mammals	Upcoming or Current Recovery / Management Planning	Not on Schedule 1 (under consideration for addition)	Endangered	(May 2023)	BC, AB, MB, NB, NL, NS, NT, ON, PEI, QC, SK, YT
Johnson's Hairstreak	<i>Callophrys johnsoni</i>	Arthropods	Upcoming or Current Recovery / Management Planning	Not on Schedule 1 (under consideration for addition)	Special Concern	(May 2022)	BC
Lesser Yellowlegs	<i>Tringa flavipes</i>	Birds	Upcoming or Current Recovery / Management Planning	Not on Schedule 1 (under consideration for addition)	Threatened	(November 2020)	BC, AB, MB, NB, NL, NS, NT, NU, ON, PEI, QC, SK, YT
Monarch	<i>Danaus plexippus</i>	Arthropods	Upcoming or Current Recovery / Management Planning	Endangered	Endangered	(November 2016)	BC, AB, MB, NB, NS, ON, PEI, QC, SK
Oregon Forestsnail	<i>Allogona townsendiana</i>	Molluscs	Upcoming or Current Recovery / Management Planning	Endangered	Endangered	(May 2013)	BC
Short-eared Owl	<i>Asio flammeus</i>	Birds	Upcoming or Current Recovery / Management Planning	Special Concern (under consideration for status change)	Threatened	(May 2021)	BC, AB, MB, NB, NL, NS, NT, NU, ON, PEI, QC, SK, YT

Species Currently in Recovery Planning

Species	Scientific Name	Taxon	Current Status	SARA Status	COSEWIC Assessed Status	Last COSEWIC Assessment and Status Change <small>*assessments are done approximately every 10 years</small>	Range
Silver-haired Bat	<i>Lasionycteris noctivagans</i>	Mammals	Upcoming or Current Recovery / Management Planning	Not on Schedule 1 (under consideration for addition)	Endangered	(May 2023)	BC, AB, MB, NB, NL, NT, NS, ON, QC, SK, YT
Woodland Caribou – Southern Mountain Population (Southern Mountain Caribou)	<i>Rangifer tarandus caribou</i>	Mammals	Upcoming or Current Recovery / Management Planning	Threatened	2014 assessment of 3 Designatable Units [Central Mountain Population: Endangered; Northern Mountain Population: Special Concern; Southern Mountain Population: Engaged]	(May 2014 - Referred Back) [Following the Designatable Unit report on caribou (COSEWIC 2011), a new population structure was proposed and accepted by COSEWIC. The Minister received COSEWIC's assessment on October 15, 2014. On February 3rd, 2022, the Governor in Council decided to refer this wildlife species back to COSEWIC for further information or consideration.]	BC, AB
Spotted Owl <i>caurina</i> subspecies	<i>Strix occidentalis caurina</i>	Birds	Upcoming or Current Recovery / Management Planning	Endangered	Endangered	(April 2008)	BC
Western Bumble Bee <i>mckayi</i> subspecies	<i>Bombus occidentalis mckayi</i>	Arthropods	Upcoming or Current Recovery / Management Planning	Special Concern	Special Concern	(May 2014)	BC, NT, YT
Western Bumble Bee <i>occidentalis</i> subspecies	<i>Bombus occidentalis occidentalis</i>	Arthropods	Upcoming or Current Recovery / Management Planning	Threatened	Threatened	(May 2014)	BC, AB, SK
Western Screech-Owl <i>kennicottii</i> subspecies	<i>Megascops kennicottii kennicottii</i>	Birds	Upcoming or Current Recovery / Management Planning	Threatened	Threatened	(May 2012)	BC
Western Screech-Owl <i>macfarlanei</i> subspecies	<i>Megascops kennicottii macfarlanei</i>	Birds	Upcoming or Current Recovery / Management Planning	Threatened	Threatened	(May 2012)	BC
Western Yellow-bellied Racer	<i>Coluber constrictor mormon</i>	Reptiles	Upcoming or Current Recovery / Management Planning	Threatened	Threatened	(November 2015)	BC
Wolverine	<i>Gulo gulo</i>	Mammals	Upcoming or Current Recovery / Management Planning	Special Concern	Special Concern	(May 2014 - Reassigned)	BC, AB, MB, NL, NT, NU, ON, QC, SK, YT

Species Currently Pending Listing Decisions

Species	Scientific Name	Taxon	Current Status	SARA Status	COSEWIC Assessed Status	Last COSEWIC Assessment and Status Change <small>*assessments are done approximately every 10 years</small>	Range
Barn Swallow	<i>Hirundo rustica</i>	Birds	Upcoming Recovery Planning and Consultation	Threatened (under consideration for status change)	Special Concern	(May 2021)	BC, AB, MB, NB, NL, NS, NT, NU, ON, PEI, QC, SK, YT
Canada Warbler	<i>Cardellina canadensis</i>	Birds	Upcoming Recovery Planning and Consultation	Threatened (under consideration for status change)	Special Concern	(November 2020)	BC, AB, MB, NB, NL, NS, NT, ON, PEI, QC, SK, YT
Coastal Manroot	<i>Marah oregana</i>	Vascular Plants	Upcoming Recovery Planning and Consultation	Not on Schedule 1 (under consideration for addition)	Endangered	(December 2022)	BC
Eastern Red Bat	<i>Lasirus borealis</i>	Mammals	Upcoming Recovery Planning and Consultation	Not on Schedule 1 (under consideration for addition)	Endangered	(May 2023)	BC, AB, MB, NB, NL, NS, NT, ON, PEI, QC, SK, YT
Foothill Sedge	<i>Carex tumulicola</i>	Vascular Plants	Upcoming Recovery Planning and Consultation	Endangered (under consideration for status change - From Endangered to Special Concern)	Special Concern	(December 2022)	BC
Grappletail	<i>Octogomphus specularis</i>	Arthropods	Upcoming Recovery Planning and Consultation	Not on Schedule 1 (under consideration for addition)	Special Concern	(May 2021)	BC
Meadow Thistle (Rocky Mountain Population)	<i>Cirsium scariosum</i>	Vascular Plants	Upcoming Recovery Planning and Consultation	Not on Schedule 1 (under consideration for addition)	Endangered	(May 2022)	BC, AB
Seaside Bone Lichen	<i>Hypogymnia heterophylla</i>	Lichens	Upcoming Recovery Planning and Consultation	Threatened (under consideration for status change -from threatened to Not at Risk)	Not at Risk	(May 2022)	BC
Seaside Centipede Lichen	<i>Heterodermia sitchensis</i>	Lichens	Upcoming Recovery Planning and Consultation	Endangered (under consideration for status change)	Threatened	(May 2021)	BC
Sharp-tailed Snake (Pacific Coast Population)	<i>Contia tenuis</i>	Reptiles	Upcoming Recovery Planning and Consultation	Not on Schedule 1 (under consideration for addition - originally considered a single unit and designated Endangered on Schedule 1. Split into two populations; Pacific Coast vs. Coast Mountains population)	Threatened	(December 2021)	BC
Vancouver Island Shieldback	<i>Steiroxys strepens</i>	Arthropods	Upcoming Recovery Planning and Consultation	Not on Schedule 1 (under consideration for addition)	Endangered	(May 2022)	BC

List of Species with Upcoming COSEWIC Species Assessments

Species	Scientific Name	Taxon	Current Status	SARA Status	COSEWIC Assessed Status	Last COSEWIC Assessment and Status Change <small>*assessments are done approximately every 10 years</small>	Range
American Badger <i>jeffersonii</i> subspecies (Eastern population)	<i>Taxidea taxus jeffersonii</i>	Mammals	Upcoming Status Assessment / Reassessment (November 2025)	Endangered	Endangered	(November 2012)	BC
American Badger <i>jeffersonii</i> subspecies (Western population)	<i>Taxidea taxus jeffersonii</i>	Mammals	Upcoming Status Assessment / Reassessment (November 2025)	Endangered	Endangered	(November 2012)	BC
Batwing Vinyl Lichen	<i>Leptogium platynum</i>	Lichens	Upcoming Status Assessment / Reassessment (Winter 2025/2026)	Endangered	Endangered	(May 2011)	BC
Cassin's Auklet	<i>Ptychoramphus aleuticus</i>	Birds	Upcoming Status Assessment / Reassessment (Winter 2025/2026)	Special Concern	Special Concern	(November 2014)	BC
Cliff Paintbrush	<i>Castilleja rupicola</i>	Vascular plants	Upcoming Status Assessment / Reassessment (Winter 2025/2026)	Threatened	Threatened	(May 2005)	BC
Columbian Carpet Moss	<i>Bryoerythrophyllum columbianum</i>	Mosses	Upcoming Status Assessment / Reassessment (Winter 2025/2026)	Special Concern	Special Concern	(November 2014)	BC
Crumpled Tarpaper Lichen	<i>Collema coniophilum</i>	Lichens	Upcoming Status Assessment / Reassessment (April 2026)	Threatened	Threatened	(November 2010)	BC
Grasshopper Sparrow (Full species, including <i>pratensis</i> ssp.)	<i>Ammodramus savannarum</i>	Birds	Upcoming Status Assessment / Reassessment (Winter 2025/2026)	Not on Schedule 1 (<i>pratensis</i> subspecies listed as Special Concern)	Special Concern	(November 2013)	BC, AB, MB, ON, QC, SK
Grizzly Bear (Western Population)	<i>Ursus arctos</i>	Mammals	Upcoming Status Assessment / Reassessment (November 2025)	Special Concern	Special Concern	(May 2012)	BC, AB, MB, NT, NU, YT
Haller's Apple Moss	<i>Bartramia halleriana</i>	Mosses	Upcoming Status Assessment / Reassessment (November 2025)	Threatened	Threatened	(November 2011)	BC, AB
Indra Swallowtail	<i>Papilio indra</i>	Arthropods	Upcoming Status Assessment / Reassessment (Winter 2025/2026)	Not on Schedule 1	New	-	BC
Mouse Ears	<i>Erioderma soledatum</i>	Lichens	Upcoming Status Assessment / Reassessment (Winter 2025/2026)	Not on Schedule 1	New	-	BC
Okanagan Efferia	<i>Efferia okanagana</i>	Arthropods	Upcoming Status Assessment / Reassessment	Endangered	Endangered	(November 2011)	BC

List of Species with Upcoming COSEWIC Species Assessments

Species	Scientific Name	Taxon	Current Status	SARA Status	COSEWIC Assessed Status	Last COSEWIC Assessment and Status Change <small>*assessments are done approximately every 10 years</small>	Range
Oldgrowth Specklebelly	<i>Pseudocyphellaria rainierensis</i>	Lichens	Upcoming Status Assessment / Reassessment (November 2025)	Special Concern	Special Concern	(April 2010)	BC
Pale Evening-primrose	<i>Oenothera pallida pallida</i>	Vascular plants	Upcoming Status Assessment / Reassessment (November 2025)	Not on Schedule 1	New	-	BC
Purple Sanicle	<i>Sanicula bipinnatifida</i>	Vascular plants	Upcoming Status Assessment / Reassessment (Winter 2025/2026)	Threatened	Threatened	(May 2001)	BC
Roell's Brotherella Moss	<i>Brotherella roellii</i>	Mosses	Upcoming Status Assessment / Reassessment (April 2025)	Endangered	Endangered	(November 2010)	BC
Rufous Hummingbird	<i>Selasphorus rufus</i>	Birds	Upcoming Status Assessment / Reassessment (November 2026)	Not on Schedule 1	New	-	BC, AB, YT
Rusty Cord-moss	<i>Entosthodon rubiginosus</i>	Mosses	Upcoming Status Assessment / Reassessment (Winter 2025/2026)	Endangered	Special Concern	(April 2017)	BC
Snowy Owl	<i>Bubo scandiaca</i>	Birds	Upcoming Status Assessment / Reassessment (April 2025)	Not on Schedule 1	Not at Risk	(April 1995)	All Canada
Western Grebe	<i>Aechmophorus occidentalis</i>	Birds	Upcoming Status Assessment / Reassessment (Winter 2025/2026)	Special Concern	Special Concern	(May 2014)	BC, AB, MB, SK
Western Spotted Skunk	<i>Spilogale gracilis</i>	Mammals	Upcoming Status Assessment / Reassessment (Winter 2025/2026)	Not on Schedule 1	New	-	BC
Western Waterfan	<i>Peltigera gowardii</i>	Lichens	Upcoming Status Assessment / Reassessment (November 2025)	Special Concern	Special Concern	(November 2013)	BC
Wood Bison	<i>Bison bison athabascaae</i>	Mammals	Upcoming Status Assessment / Reassessment (April 2026)	Threatened (under consideration for status change)	Special Concern	(November 2013)	BC, AB, MB, NT, YT
Woodland Caribou – Southern Mountain Population (Southern Mountain Caribou)	<i>Rangifer tarandus caribou</i>	Mammals	Upcoming Status Assessment / Reassessment (November 2026)	Threatened	2014 assessment of 3 Designatable Units [Central Mountain Population: Endangered; Northern Mountain Population: Special Concern; Southern Mountain Population: Engagered]	(May 2014 - Referred Back) [Following the Designatable Unit report on caribou (COSEWIC 2011), a new population structure was proposed and accepted by COSEWIC. The Minister received COSEWIC's assessment on October 15, 2014. On February 3rd, 2022, the Governor in Council decided to refer this wildlife species back to COSEWIC for further information or consideration.]	BC, AB
